ERRATUM TO PETITION FOR RULE MAKING

Claire B. Benezra, by her attorney, respectfully submits this erratum to her petition for rule making, filed June 28, 1996 in the above-captioned matter.

The engineering report attached to Benezra's petition contained maps showing the permissible site area for stations KGMN-FM, Kingman, Arizona (Figure 4) and KSGL-FM, St. George, Utah (Figure 5). Inadvertently, the title blocks were switched on these figures.

Attached hereto are the corrected figures. No changes other than to the title block were made. Accordingly, the attached Figures 4 and 5 should be substituted for the Figures 4 and 5 in the report as filed.
